Lenape's newsletter is going electronic-again. A few years ago our newsletter was transmitted to club members via e-mail. Although it was fairly successful, many members preferred to receive the newsletter via "snail mail". In the face of increasing costs for copying and mailing, the board has decided to try e-mailing the newsletter once again. If you would like a hard copy, simply print out the e-mail attachment. Please let Mary Helen know if your copy wasn't formatted properly or if you cannot open the attachment. The newsletter is prepared using Microsoft Publisher which may not be compatible with everyone's word processing software.

From The President

We have a lot planned for this year: see the events column to the right. Next on the schedule is our first-ever **CANINE FIRST AID CLINIC**, which will be presented by **JANET KRUPP**. As noted, it will take place on Sunday, December 3 at the home of Anne Plusch. The program will begin at 2:00 P.M. and will last about 2 hours. Guests (human, not canine) are welcome and please feel free to bring your own refreshments. Following that, we look forward to our annual holiday party and Pollyanna. This is always a great fun event. Once again, **ED AND DIANE COYLE** have graciously offered to open their home to us. The festivities will begin at 4:00 P.M., and will be a covered-dish event. Contact me (MARI.GO@VERIZON.NET OR 215-368-2207) to let me know what you plan to bring. Plan to bring a human or doggie Pollyanna gift

valued between \$10.00 and \$15.00; we will also have a combined board and general meeting. One of the main topics on the agenda will be our elections since we forgot about them at the Halloween Party/meeting in October.

Shortly after the start of the New Year we will hold our clinic. It is planned for Sunday, January 7 and we hope to hold it once again at the Richboro Veterinary Hospital. Watch for announcements on the Loop. Information about other planned events will be posted on the Loop as the time gets closer.

One event that can't wait is planning for our specialty. We are going to try something different this year and have the show in connection with the Trenton shows in Trenton, NJ. I will be acting as show chairman, and will need *all the help I can get*. So far, we have established a **JUDGE SELECTION COMMITTEE**; (**JANICE PROVENZANO, SUE ROBINS AND BONNIE RUBIN** are currently discussing possible judges for the conformation portion of the show. If you have any suggestions for judges, please contact any one of them; it must be done very soon as the deadline for submission of names is the end of November. Also please begin thinking about trophies: I will publish the selection list on the Loop soon; the earlier you choose, the better your chances of supporting the trophy you want.

It's also time to begin our 2007 membership drive. The application for renewal will be posted on the Loop within the next few weeks.

Finally...if you know of someone who is looking for a puppy, please have that person contact Lenape's **PUPPY REFERRAL**. We get inquiries all the time and we usually have at least one breeder on the referral list. Also, if you are a breeder and are listed on the referral list, please let us know as soon as your puppies are sold. Otherwise we will automatically remove your name from the list after **90 DAYS**. Should

you have two litters close to the same time, please be sure to register each litter separately rather than register one litter and have the second one be "grandfathered" with the first.

And finally: welcome to new members **JOAN LUCKHARDT** and **BARBARA D'ANGELO** who were voted in on October 21st at the Halloween Party. Speaking of the Halloween Party, I'd like to take this opportunity to thank all of you who attended: you helped make the evening so memorable that we forgot to hold our annual elections! Special thanks to **EILEEN CURRAN** for a job well done with the annual awards and to **BONNIE RUBIN** for the dog goodie bags. (Murphy *loved* his treats!)

Happy Thanksgiving

Bonnie Rubin's AMBERGLO SPONTANEOUS COMBUSTION (FRISCO) is on a roll: On June 22 he took Winners' Dog, Best of Winners and Best of Breed at the Walkill Kennel Club Show. As if that wasn't enough, he then went on to take Winners' Dog and Best of Winners at the West Chester Kennel Club show on September 11. And finally, at the Berks Bounty Kennel Club Show on Sunday, September 17th, he took Winners Dog. 9 points down and three to go! Frisco is handled by Bonnie Rubin and Karen Fennikoh.

From **Eileen Curran**: *KATIE* and I were entered in our first APDT Trial on Sunday, May 7, at the Dog Training Club of Chester County in Exton, PA. Although the course was more difficult than the three AKC courses we did, I am very happy to report that **MARCHWOOD'S SPRING KISME KATE** qualified for her first leg. One leg down and two to go for her Rally Level 1 title.
